

HUG 2002 User Meeting

Hug Organization

halFILE User Group Mission

Our mission is straightforward and effective:
to continuously **educate** our members,
facilitate **networking** among colleagues and
hal Systems representatives, and **influence**
future hal Systems product releases and
direction.

HUG 2003 !

- Users should plan the session content
- When - Sept, Oct, Nov, Dec, Jan?
- Where?
- How long - One, two, three days?
- What would you like - training days, sessions?
- Who will assume chairmanship for 2003?

hal will help with:

- Planning
- Some costs for the conference
- Educational sessions
- Training, if requested
- Web site

Session Content

- New features review
- Training on halFILE modules
- Next release plans
- Other software (such as this year's Crystal sessions)

When ?

- Best time for hal is Sept-Nov
- The next best is probably summer

Where?

- Austin again?
- Dallas?
- San Antonio?
- In a central part of US?
- At a resort?
- Las Vegas, or Disneyland /DisneyWorld?

La Mansion del Rio

How Long should it last?

- 2 days like this year?
- 1 day sessions + 1 training day
- 2 days sessions + 1 training day
- 2 days + 2 training days?

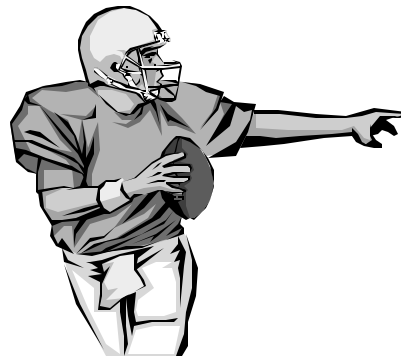

Training ?

- Short sessions like this HUG?
- Complete day of training before or after?
- Training on what topics?
- Training on each product or module?
- More Crystal Reports training?

Who wants to be the first chairperson?

- Any volunteers?
- Co-chairpersons?
- Karen will be the hal coordinator

Remember!

- The most successful and valuable User Groups are run by the users, for the users!
